Dear Friends,

Greetings from the Organizing Committee of IAGES 2019 !

It gives us immense pleasure to invite you all to the 16th Annual Conference of Indian Association of Gastrointestinal Endosurgeons, IAGES 2019, Bhubaneswar to be held from 7th-9th February 2019 (6th - Pre Congress Training Program).

Known as the "Temple City", Bhubaneswar has a unique position by virtue of the ability to seamlessly integrate its rich cultural heritage with a strong regional economic base. Founded during the Kalinga empire over 3,000 years ago, Bhubaneswar today boasts of a cluster of magnificent temples, constituting a complete record of Odisha temple architecture from its early beginnings to its culmination.

Further, Bhubaneswar also plays an important role as a regional gateway to the Golden Tourist Triangle of Puri, Konark, and Chilika Lake.

Apart from known international faculties, the conference will be witnessed by more than 1500 delegates from all over the country. Therefore this will be an ideal opportunity for you to showcase your products/services at the well designated exhibition area. There is a range of partnership and exhibition opportunities available, offering you the chance to broaden your reach, expand your brand and enhance your visibility among the many delegates who will attend the conference. We welcome your involvement in this prestigious conference and will work with you to create a package that best suits your company's organizational and business objectives.

We look forward for your valuable partnership for making IAGES 2019 a grand success.

Warm Regards,

Dr. Sreejoy Patnaik

Organising Secretary - IAGES 2019

About Bhubaneswar

Bhubaneswar is the capital city of the Indian state of Odisha. Bhubaneswar, the 'city of temples', named after Tribhuvaneshwar, 'Lord of Three Worlds', still preserves over 500 of India's finest temples, around which the religious life of the city revolves.

Best time to visit Bhubaneswar: The summer months from March to May are hot and humid, and temperatures often shoot past 40° C in May. The south west monsoon lashes Odisha in June, bringing relief to the parched environs of Bhubaneswar. July and August receive the maximum rainfall, which may average over 220 mm a month.
